

## CV of Kály-Kullai Kristóf

### Personal data

Name Kály-Kullai Kristóf  
Position Assistant professor  
Current institution Department of Physics,  
Budapest University of Technology and Economics  
1111 Budapest, Budafoki út 8  
Hungary  
e-mail [kakukri@eik.bme.hu](mailto:kakukri@eik.bme.hu)  
Phone +36 1 463 18 97  
Fax +36 1 463 18 96  
Date of birth 11.4.1979

### Education

2002 MSc degree in engineering physics, BME, Hungary  
2007 PhD in Physics “Evolution of wave fronts studied by numerical and analytical methods”, BME, Hungary

### Employment

09/2005-12/2007	engineer	BME, Hungary
07/2008-12/2010	Postdoctoral researcher	BioQuant, Germany
2011-	Assistant professor	BME, Hungary

### Research interest

- Nonlinear dynamics
- Chemical waves
- Acid-base diodes
- Chlorine-dioxid

### Teaching activity

- Physics (mechanics, electrodynamics, lab exercises)
- Dynamical systems

### Students supervised

- Msc students: Koncz Viktória (2012)
- PhD students: Koncz Viktória

## **Languages**

English (intermediate), Italian (beginner)
